# FROM THE CHANCELLOR'S DESK

### WELCOME TO UNIVERSAL AI UNIVERSITY,

where we are committed to crafting leaders with character and equipping them with the technologies of the future. Our diverse range of degree programs in Business Management, Liberal Arts, Environment Sciences, AI, Design, Law, Sports, Commerce, and International Diplomacy will empower students to become leaders in a global context in their field while promoting sustainability and entrepreneurship.

Nestled in the breath-taking location of Karjat, surrounded by mountains, our university is not just a place of learning but one with a Soul. We focus on the 3 P's, which are Purpose, Passion and Professionalism to ensure our students are well-rounded individuals and are prepared to make a real impact in the world through the triple bottom line (People, Planet & Prosperity) framework creating a positive social, environment and economic impact.

With the world moving towards more automation and digital transformation, AI education and research is highly important for a country to stay competitive in the global economy, thus, Universal AI University will be a key driver of the country's growth and development in the 21st century by teaching Universal skillsets. Additionally, the university would serve as a research hub for the development of new AI technologies, which would bring economic and technological benefits to India.

At our university, we're dedicated to providing students with cutting-edge knowledge and skills in Artificial Intelligence, Machine Learning, and Data Science. Our state-of-the-art facilities, renowned faculty who are leading experts in the field, innovative curriculum and andragogy ensure that our students are equipped with the tools they need to excel in the fast-paced tech industry.

Our focus on hands-on experiential and immersive learning, industry partnership backed by 60 Global CEO's, and real-world CMAPS (Collaborative Multidisciplinary Approach towards Problem Solving) projects cannot be found anywhere else. Graduates of our programs will be well-prepared for a variety of exciting and lucrative career paths, including roles in data analysis, AI and machine learning which will be applicable to the fields of Business, Technology, Environmental Studies, Design, Law, Sports, Liberal Arts and International Diplomacy.

Be at the forefront of shaping the future with AI technology to make yourself future proof.

### ARUNDHATI BHATTACHARYA

Chairperson & CEO, Salesforce;  
Fmr. Chairman, SBI

“I was amazed at the greenery & the principle of sustainability adopted by UAI. UAI emphasis on sustainability is a gift to its students - because being conscious & frugal is not about living in deprivation. They are making their students realise that the earth has finite resources & they must not be taken for granted. This understanding will go a long way in their professional lives.”

### BHARAT PURI

MD, Pidilite Industries

“Have I come to some international university, a lovely campus, enthusiastic students & committed faculty. Congratulations Team UAI. You follow your interest of field & dream passion. Just open your mind to the right & wrong, after which, you should follow your own interest & passion for your dream”

## INDUSTRY SPEAKS
