## Campus Life

Experience vibrant campus life filled with diverse activities, state-of-the-art facilities, and a supportive community that fosters learning and growth in a 40-acre fully residential campus heart of a valley in Karjat, Mumbai. From academics to extracurriculars, every moment enriches your journey!

### Universal Ai University Mascot - HawkAi

Unveiling by Padma Bhushan Gulzar Sahab & Tarun Anand, Chancellor

University Mascot Idea came from Dr. Simon Mak, Vice-Chancellor (MIT, USA)

Inspired by Guru Gobind Singh Ji, the tenth Sik Guru, a warrior, poet and philosopher who would carry a Hawk perched on his hands which is considered a symbol of heightened awareness, the ebb and flow of the Guru, the new mascot 'Hawk AI' would symbolised the attributes of Universal AI University's mission to embrace the ever-soaring heights of new-age global education with standards, ethics, environment at its core in AI - led education. The mascot was unveiled by Padma Bhushan Shri Gulzar Sahab.

The slogan set, as a Cheer with the new mascot in motion was 'Soar High, Soar Far, Soar Fast, Soar Strong'.

The values of our Mascot named HawkAi resonates with the values of Universal Ai, which are as follows:  
 Freedom | Courage | Carefree and Open | Self-Reliance | Nobility
